

6 November 2023

Dear Mrs President,

*I would like to extend my sincere congratulations to the Elisabeth University of Music in Hiroshima at the occasion of its 75th anniversary.*

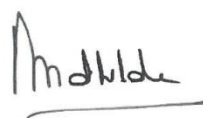

*Since its establishment in 1948, the Elisabeth University of Music has given countless music students the chance to develop their skills. This way bringing hope, joy and fulfillment to themselves and to many others.*

*I am pleased to note the Belgian origins of the University as well as its naming after Queen Elisabeth of Belgium, who was known for her great dedication to classical music.*

*With that same dedication, your teachers and staff strive to not only form your students into excellent musicians, but also into caring and responsible global citizens.*

*I wish the Elisabeth University of Music many more years of success in the same spirit of dedication, peace and harmony.*

Yours Sincerely,

Her Majesty the Queen of the Belgians
